Sponsorship

Although a fee of \$100.00 will secure your registration, your organization may like to be recognized as a "sponsor" of the overall Forum or as a Session Sponsor and be able to send more attendees. This support would be greatly appreciated. Sponsorships are available from \$500.00 to \$5000.00. Sponsors will be appropriately recognized from the podium and by banners displayed throughout the Forum. These donations will advance the progress of building the endowment and contributors will be recognized permanently for their commitments. Over time, repeat contributors will achieve giving levels, that set them apart for special recognition by the University Foundation and the Administration.
